CURRICULUM VITAE

Name: Denise Charron-Prochownik, PhD, RN, CPNP, FAAN

Business Address University of Pittsburgh **E-Mail Address** dcpro@pitt.edu
 School of Nursing
 440 Victoria Building
 Pittsburgh, PA 15261

Business Phone (412) 624-6953 **Business Fax** (412) 624-8521

EDUCATION and TRAINING

1977	Rhode Island College Providence, R.I.	BSN	Nursing
1982	Boston College Chestnut Hill, MA	MSN	Maternal-Child Health
1991	University of Michigan, School of Public Health Ann Arbor, MI	Ph D	Health Behavior- Health Education
1992-94	University of Pittsburgh School of Medicine and WPIC Pittsburgh, PA	Post-Doc Fellow	Childhood Psychology

APPOINTMENTS and POSITION**Academic**

1994-Present	University of Pittsburgh School of Nursing: Health Promotion & Development; Graduate School of Public Health- Behavioral and Community Health Sciences, and CTSI (secondary) Pittsburgh, PA	Chair HP&D (2012-present) Interim Chair HP&D (2011) <i>Distinguished Service Professor</i> (2023) Tenured Professor (2009-present) Tenured Associate Professor (2003-09) Assistant Professor (1994 -03) Faculty (PhD, DNP, PNP-MSN, UG) Interim Director PNP Program (2003)
6/92-6/94	University of Pittsburgh School of Medicine and Western Psychiatric Institute and Clinic Pittsburgh, PA	Senior Research Fellow Postdoctoral Fellowship
6/92-6/94	University of Pittsburgh School of Nursing Pittsburgh, PA	Adjunct Assistant Professor

April 2024

9/90-6/92	University of Michigan Michigan Diabetes Research and Training Center Ann Arbor, MI	Project Director: Adolescent Program
10/89-6/92	University of Michigan School of Public Health Ann Arbor, MI	Project Coordinator/ Research Associate: Diabetes/Pregnancy Study
9/84-6/92	University of Michigan School of Nursing Parent-Child Nursing Ann Arbor, MI	Instructor, Lecturer, Assistant Professor: Coordinator U Grad. Ped. Prog. Grad. Fac. PNP Program
1/84-5/85	Boston College School of Nursing Chestnut Hill, MA	Adjunct Instructor Clinical Preceptor

Non-Academic

2017-2021	Member- Health Care Professional team Diabetes Transition Clinic UPMC Children's Hospital of Pittsburgh	Diabetes Educator-Counselor/ Pediatric Nurse Practitioner in groups
2004-2011	Shady Side Academy, PA Health Screening and Infirmary	Pediatric Nurse Practitioner (volunteer per Diem)
1994-2003	Children's Hospital of Pittsburgh Evening Continuity Clinic Pittsburgh, PA	Pediatric Nurse Practitioner (Faculty Practice and Preceptor)
1985-1990	Mott Children's Hospital Pediatric Walk-In Clinic Ann Arbor, MI	Nurse Clinician II (part-time per Diem)
1984-1998	Diabetes Camp Michigan and Pennsylvania ADA Affiliate Camps	Pediatric Nurse Practitioner (volunteer for sessions)
1982-1984	Children's Hospital Diabetes Subspecialty Boston, MA	Clinical Nurse Specialist/ Pediatric Nurse Practitioner (full time)
1982-1984	Children's Hospital Emergency Room Boston, MA	Triage Nurse (part-time)
1981-1984	Bridge Over Troubled Water Boston, MA	Pediatric Nurse Practitioner (volunteer part-time)

April 2024

1979-1982	Boston Children's Hospital Emergency Room Boston, MA	Staff Nurse (full time)
1978-1979	Massachusetts General Hospital Pediatric Critical Care Boston, MA	Staff Nurse (full time)
1977-1978	Massachusetts General Hospital Adult Surgical Unit Boston, MA	Nurse Intern (full time)

LICENSURE AND CERTIFICATION

Current	#RN321718-L	Pennsylvania License
Current	#ANCC 033510 (P.N.P.)	National Certification
Current	#UP-003044-D (C.R.N.P.)	Pennsylvania License

MEMBERSHIP IN PROFESSIONAL AND SCIENTIFIC SOCIETIES

Professional/Scientific Societies	Membership Role
American Diabetes Association (ADA)	2022-present Appointed Member Awards Committee 2019-2020 Member Scientific Sessions Meeting Planning Committee 2015-2018 Member of Cultural Competency Workgroup 2013-2015 Chair, Women & Diabetes Subcommittee 2006-2008 Appointed Member Scientific/ Medical Programs Oversight Committee 2005-2008 Associate Editor, <u>Diabetes Spectrum</u> 2003-07, 2015-2018 Appointed Member of Research Grant Review Committee 2003-2006 Appointed Member Publication Policy Com. 2002 Chair, Symposium 62 nd Scientific Session- <i>Prevention of Diabetes: Lifestyle Intervention</i> 2001-2003 Appointed Member National Scientific Sessions Meeting Com. (Behavioral Science Sect) 1998-2000 Appointed Member of National Health Care & Education Advisory Group 1998-2001 Editorial Board, <u>Diabetes Spectrum</u> 1995-1996 Assoc. Editor, Journal of <u>Diabetes Care</u> 1994-1995 Editorial Board, Journal of <u>Diabetes Care</u> 2020 Abstract Reviewer Scientific Sessions
American Association of Diabetes Educators (AADE)	2005-2007 Appointed Member of Research Committee and Grant Committee 1999-2001 Chair, Research Committee, AADE-Research Foundation 1999-2001 Board of Trustees AADE-Research Foundation
Nightingale Awards of Pennsylvania (NAP)	2005-2013 Chair, Scholarship Committee 2003-present Board of Directors 2005-present Review scholarship applications

April 2024

National Organization of Nurse Practitioner Faculties (NONPF)	Member
Sigma Theta Tau Honor Society (STT)	Member
American Nurses Association (ANA) Pennsylvania Nurses Association	Member
American Public Health Association (APHA)	Member
Society of Behavioral Medicine (SBM)	Member
Eastern Nurses Research Society (ENRS)	Member
Behavioral Research in Diabetes Group Exchange (BRIDGE)	Member
National Board for Alliance to Reduce Disparities in Diabetes	2009-2014 National Advisory Board
National Diabetes Education Program (NDEP)	2010-2014 Member of Support Behavior Change Task Force

HONORS

Date	Honor/Award
2023	Cameos Award for Research
2023	Inductee Sigma Theta Tau's International Nurse Researcher Hall of Fame
2023	Distinguished Service Professor of Nursing- University of Pittsburgh
2021	American Diabetes Association's Outstanding Educator in Diabetes Award
2008	Fellow American Academy of Nursing (FAAN)
2007	March of Dimes - Invited Speaker Award Sweet Success Annual Conference, CA
2006	Pitt Innovator Awardee
2003	Tenure - University of Pittsburgh
2001	Nightingale Award of Pennsylvania in Nursing Research
2001	2001 Alumni Award – Nursing- Rhode Island College
2000	Dean's Distinguished Teaching Award, School of Nursing, University of Pittsburgh
1999	Travel Grant Award - American Diabetes Association
1992-1994	Post Doctoral Fellowship (Traineeship Award) - School of Medicine and Western Psychiatric Institute and Clinic, University of Pittsburgh
1989-1991	Graduate Student Research Assistant Award - CDC Grant
1979-1981	Nurse Traineeship - Masters Program, Boston College
1981	Sigma Theta Tau, National Nursing Honor Society
1973	Rhode Island State Scholarship for Undergraduate Studies

Clinical Practice Recommendations

Based on our recommendation from our research the ADA changed their EBP guidelines for preconception counseling:

ADA. (2009-2014; 2017-2022). Summary of Revisions for the 2009 Clinical Practice Recommendations. “The Recommendation on preconception care has been revised, ‘Starting at puberty, preconception counseling should be incorporated in the routine diabetes clinic visit for all women of child-bearing

potential'." Diabetes Care, 32 (Suppl. 1), S5, S40.

RESEARCH

Research Grants – Funded

Principal Investigator

- Role:** Principal Investigator **Period:** 1988-1991
Type: Substudy (Dissertation): #5 P60-D-20572, MDRTC Center Grant
Funding Agency: NIH/NIADDK
Title: "Social support, chronic stressors and health outcomes of adolescents with diabetes."
 Core Project: "Adolescent Diabetes Clinic Research Program." Barbara Anderson, Ph.D., (PI), Neil White, M.D., (Co-PI).
- Role:** Principal Investigator **Period:** 1990-1992
Type: Pilot Study: #5 P60-D-20572, MDRTC Center Grant
Funding Agency: NIH/NIADDK
Title: "Dimensions of the Health Belief Model and Self-Efficacy Applied to Understanding Children's Diabetes Regimen Compliance." Marshall Becker, PhD, (Co-PI).
 Amount: \$5,000
- Role:** Principal Investigator **Period:** 1995-1997
Type: Central Research Development Fund
Funding Agency: University of Pittsburgh
Title: "Family Planning Behavior in Young Adult Women with IDDM."
 Amount: \$12,817
- Role:** Principal Investigator **Period:** 1997-1998
Type: Pilot Study: #5 P30 NR03924, Center for Research in Chronic Disorders
Funding Agency: NIH/NINR
Title: "Family Planning Decisions and Behaviors in Young Women with IDDM."
 Amount: \$9,341
- Role:** Principal Investigator **Period:** 1997-1998
Type: Foundation
Funding Agency: Sigma Theta Tau International, Inc., Alpha Chi Chapter
Title: "Identifying and Predicting Family Planning Decisions and Behaviors in Adolescent Women with IDDM -one site."
 Amount: \$1,000
- Role:** Principal Investigator **Period:** 1997-1998
Type: Competitive Medical Research Fund
Funding Agency: UPMC/University of Pittsburgh
Title: "Family Planning Decisions and Behaviors in Adolescents with IDDM - multisites."
 Amount: \$24,974
- Role:** Principal Investigator (20%) **Period:** 1999-2002
Type: Clinical Research Award
Funding Agency: American Diabetes Association
Title: A Reproductive Health Awareness for Teens with Diabetes

April 2024

Amount: \$268,123

Role: Principal Investigator (20%) **Period:** 2002-2006
Type: Clinical Research Award
Funding Agency: American Diabetes Association
Title: A Reproductive Health Program for Teen Girls with Diabetes: An Intervention Study (Outcomes and Cost-Effectiveness Evaluation).
Amount: \$300,000

Role: Co-Principal Investigator (PI Subcontract SON) (20%) **Period:** 2002-2006
Type: DoD DAMD17-01-0009
Funding Agency: USAMRMC
Title: “New Improved Technology to Improve Prediction and Prevention of T1D” Trucco (PI).
Award: School of Nursing (SON) subcontract \$626,329. Total award \$6,009,941.

Role: Principal Investigator (10%) **Period:** 2005-2006
Type: UPMC Diabetes Appropriations from DoD
Funding Agency: USAARMAA
Title: Reproductive Health Program for Women with Diabetes Across the Lifespan
Award: \$150,000

Role: Principal Investigator (20%) **Period:** 2005-2010
Type: R01 HD044097
Funding Agency: NIH-NICHD
Title: Reproductive Health Intervention for Teen Girls with DM
Award: \$1,691,173
Julie Downs as Co-MPI

Role: Principal Investigator **Period:** 2009-2011
Type: 3R01 HD044097-05S1
Funding Agency: NIH-NICHD Recovery Act Administrative Supplement
Title: Reproductive Health Intervention for Teen Girls with DM
Award: \$91,163

Role: Principal Investigator (20%) **Period:** 2011-2014
Type: Clinical Research Award
Funding Agency: American Diabetes Association
Title: Long Term Effects of Receiving Preconception Counseling in Early Adolescence
Award: \$600,000

Role: Principal Investigator **Period:** 2014-2015
Type: Clinical Grant
Funding Agency: Eli Lilly Co.
Title: Modifying READY-Girls for the Latina Population
Award: \$67,000

Role: Principal Investigator (20%) **Period:** 2015-2020
Type: 1R01NR0114831-01A1
Funding Agency: NIH-NINR
Title: Supporting AI/AN Mothers and Daughters in Reducing Gestational Diabetes Risk
Award: \$3,182,365

April 2024

Kelly Moore is MPI

Role: Principal Investigator **Period:** 2020-2021
Type: CRISP (CTSI's Research Initiative for special Populations)
Funding Agency: NIH-NCAT UL1TR001857
Title: Stopping Gestational Diabetes in Daughters and Mothers: A Gestational Diabetes Risk Reduction and Preconception Counseling Program for American Indian and Alaska Native Daughters and Mothers
Award: \$30,000
 Kelly Moore is Co-MPI

Co-Investigator

Role: Co-Investigator. N. White, (PI) U. of Michigan **Period:** 1990-1994
Type: Foundation
Funding Agency: Juvenile Diabetes Foundation
Title: "Feasibility of Intense Insulin Therapy in Children with Newly-Diagnosed Type I DM"
Amount: \$76,685

Role: Co-Investigator. Siminerio, L. (PI) UPMC (10%) **Period:** 2006-2009
Type: DoD W81XWH-04-2-0030
Funding Agency: USAARMAA
Title: "A Comprehensive Approach: Prevention and Treatment of Diabetes in Western PA Project"
Award: \$16,000,000

Role: Co-Investigator. Orenstein, D. (PI) Children's Hospital Pitt (10%) **Period:** 2006-2010
Type: R01-NR009285-01A1
Funding Agency: NIH-NINR
Title: Self-Regulation Exercise in Cystic Fibrosis (CF): A Randomized Trial
Award: \$1,794,427

Role: Co-Investigator. Stotz (PI) University of Colorado Denver (10%) **Period:** 2021-2023
Type: 1 R21 MD016126-01A1
Funding Agency: NIH-NIMHD
Title: Exploring Food Insecurity as a Social Determinant of Health Among American Indian and Alaska Native Adolescents at Risk for Gestational Diabetes
Award: \$443,090

Role: Co-Investigator. Feeley (PI) University of Auburn, Alabama (10%) **Period:** 2023-2025
Type: R15
Funding Agency: NIH-NINR
Title: Self-Monitoring, Sleep, and Psychosocial Outcomes in Dyad of Child w/Type 1 Diabetes and Parent
Award: pending

Role: Co-Investigator. Brega (PI) University of Colorado, Denver (5%) **Period:** 2023-2026
Type: Translational Research Award for Woman's Studies
Funding Agency: ADA
Title: Adapting delivery of the Stopping Gestational Diabetes in Daughters and Mothers (SGDM) Intervention to facilitate broader translation and engagement among American Indian female adolescents and young adults
Award: pending

April 2024

Students': Grants and Fellowships**Role:** Co-Principal Investigator**Period:** 1997-1998**Type:** Research Advisory Committee of Children's Hospital of Pittsburgh**Funding Agency:** Children's Hospital of Pittsburgh**Title:** "Comparison of Outpatient vs. Inpatient Diabetes Education for Newly diagnosed Children with Type I Diabetes." L. Siminerio, (PI).

Amount: \$9,906

Role: Co-Principal Investigator**Period:** 2002-2003**Type:** Foundation**Funding Agency:** Sigma Theta Tau /American Association Diabetes Educators (STT/AADE)**Title:** "DM and Reproductive Health Ed for Teen Girls and Moms: A Pilot Study"

Margaret Ferons (PI).

Amount: \$6,000

Role: Faculty at Host Institution/Sponsor**Period:** 2007-2008**Type:** Applied Research Fellow - Training and Staff Development**Funding Agency:** Coventry University, Coventry, England**Title:** "Development of two complementary interventions to provide pre-pregnancy education to girls with T1 diabetes mellitus"

Katie Newby (Research Fellow).

Amount: £ 5,000

Role: Co-Faculty Mentor/ Co-Advisor**Period:** 2012-2013**Type:** Pilot study**Funding Agency:** AADE**Title:** "Mindful Approach to DM Self-Management Education with Stress Reduction and Health Coping for US Veterans with DM"

Monica DiNardo (PI)

Amount: \$6,000

Role: Faculty Mentor/ Advisor**Period:** 2012-2013**Type:** Pilot study**Funding Agency:** AADE/STT**Title:** "Parish Nurses providing DM Education and PC to AA Women with DM"

Jessica Devido (PI)

Amount: \$6,000

Role: Faculty Mentor/ Advisor**Period:** 2012-2013**Type:** Pilot study**Funding Agency:** STT International**Title:** "Mix-Method Design: Parish Nurses providing DM Education and PC to AA Women with DM"

Jessica Devido (PI)

Amount: \$6,000

Role: Faculty Mentor/ Advisor**Period:** 2013-2014**Type:** Pilot study**Funding Agency:** Greater Pittsburgh Nursing Research Conference Research Grant**Title:** Long-term Effect of Preconception Counseling (PC) on Risk-taking Behaviors, Condom Use, and Sexually Transmitted Infection (STI) Prevention Among Young Females with Type 1 Diabetes (T1D)

Jennifer Thurheimer (PI)

April 2024

Amount: \$1,000

Role: Faculty Co-Mentor/ Co-Advisor

Period: 2018-2019

Type: Pilot study

Funding Agency: Univ of Pittsburgh SON - Swigart/Gold Doctoral Award in Nursing Ethics

Title The Association of Trait Mindfulness with Psychosocial Variables, Diabetes-related Outcomes, and Implicit Bias among Adolescents with Type 1 Diabetes.

Hiba Abujaradeh (PI)

Amount: \$ 2500

Role: Faculty Mentor/ Advisor

Period: 2019-2020

Type: Pilot study

Funding Agency: National Association of Pediatric Nurse Practitioners (NAPNAP)

Title The Association of Mindfulness with Stress, Depression, and Anxiety and Diabetes-Related Outcomes Among Adolescents with Type 1 Diabetes

Hiba Abujaradeh (PI)

Amount: \$ 2500

Role: Faculty Mentor/ Advisor

Period: 2019-2020

Type: Pilot study

Funding Agency: J.Wiggins Scholarship

Title The Association of Trait Mindfulness with Psychosocial and Bio-behavioral Variables among Adolescents with Type 1 Diabetes.

Hiba Abujaradeh (PI)

Amount: \$1653

Role: Faculty Mentor/ Advisor

Period: 2019-2020

Type: Pilot study

Funding Agency: Sigma Eta Chapter

Title The Association of Trait Mindfulness with Psychosocial and Bio-behavioral Variables among Adolescents with Type 1 Diabetes.

Consultations

April 2024

2004-2007 “Diabetes Self-Management Education Project” a component of “A Comprehensive Approach to the Prevention and Treatment of Diabetes” University of Pittsburgh Medical Center’s Diabetes Institute (Director- L. Siminerio). Developing patient and health care professional assessment tools in diabetes self-management and measures for program evaluation (NDEOS) for the American Association of Diabetes Educators

1999 and 2001 Member of both Planning Committees for two Diabetes Research Summits to define evidence base practice and identify research within diabetes education; and establishing a research agenda. American Association of Diabetes Educators

Evaluation of a Nurse Management Intervention in the Control of Diabetes. Prudential Center for Health Care Research, Atlanta, GA.

Clinical Management Course for the Advanced Studies Institute on Diabetes. American Association of Diabetes Educators, Kansas City, KS.

Pediatric Group Participant at the 12th Invitational Conference on Behavioral Research in Diabetes Mellitus, Tucson, Arizona, February 1998.

Other Fellowships

1998 Provost’s Faculty Diversity Seminar Fellow
University of Pittsburgh

Visiting Professor at Wuhan University in China– October, 2011

Invited Speaker for a CDC Teleconference

Charron-Prochownik, D. “Preconception Counseling: Project for Teens with Diabetes”, Directors and staff from the CDC’s Divisions of Reproductive Health and Birth Defects and the National Association of Chronic Diseases. August 12, 2008. *Invited Speaker.*

Developed online CEU course for health professionals

“Preconception Counseling for Adolescent and Adult Women with Diabetes”. Available through SON online CEU program for 4 credit hours.

Senior Researcher in the SON eHealth Hub

Ferons Hannan, M., Sereika,S., **Charron-Prochownik D** , “Social Support and Reproductive-Health Related Communication Between Mothers and Their Adolescent Daughters with Diabetes”, presentation in a Symposium: The Impact of Social Support and Social Networks on self-Management Behavior and Health-Related Quality of Life in Individuals with Chronic Health Disorders. 10th International Congress of Behavioral Medicine (ICBM). Tokyo, Japan, August 2008.
3. Siminerio, L, **Charron-Prochownik D**, Dorman JS, Ryan, C, ConleyY, Trucco, M. “Overview of the Genetic Testing for type 1 Diabetes in Families: Translating Results from the Laboratory to the Community”, International Telemedicine Conference, Croatia, May 2004.
4. Thato, S, **Charron-Prochownik, D.**, Dorn, L., Albrecht, S., Stone, C. “A Pilot Study of an Assessment of Risky Behaviors during Adolescence among Vocational Students as Conceptualized by the Health Belief Model in Bangkok, Thailand”, Improving Life Through Health Promotion Conference. Chiang Mai, Thailand. February 2001.
5. Sanasuttipun, W., **Charron-Prochownik, D.**, “Assessing Self-Care Demands of Parents with Young Infants with Congenital Heart Disease”, 6th International Self-Care Deficit Nursing Theory Conference. Bangkok, Thailand, February 2000.

See Published Abstracts Section above for other International Presentations listings.

April 2024

National:

1. Choi, J., Sereika, S., Schmitt, P., Hannan, M., & **Charron-Prochownik, D.,** "Mother's understanding the effects of diabetes on reproductive-health in daughters with diabetes: implications for preconception counseling and support". Poster: National Council of Undergraduate Research Conference, Lexington, KY, April 2014
2. Stone, A., **Charron-Prochownik, D.,** Fischl-Rodgers, A., Schmitt,& Sereika, S., "The association of health behaviors prior to and during pregnancy and maternal complications and neonatal outcomes in women with type 1 diabetes". Poster: National Council of Undergraduate Research Conference, Lexington, KY, April 2014
3. Devido, J., Doswell, W., Braxter, B., Dorman, J., Terry, M., **Charron-Prochownik, D.** "Parish Nurses Perspectives on Diabetes Education/Preconception Counseling for African American Women: A Turning Point". Poster: American Assoc Diabetes Educators, Phila, PA, August, 2013
4. Wilhite, A., Thurheimer,J., Sereika, S., Schmitt,P., **Charron-Prochownik, D.** "Examining the relationship among stage of adolescence and duration of illness with self-esteem, stressors and risky behaviors in teens with type 1 diabetes". National Conference on Undergraduate Research, La Crosse, Wisconsin, April 2013.
5. Sobota, M, et al., Miami Beach, FL, May 2009. *(See abstract)*
6. Zgibor, J., et al., San Francisco, June 2008. *(See abstract)*
7. Hannan, M., et al., San Francisco, June 2008. *(See abstract)*
8. Bruine de Bruin, A., Downs, J., Moltz, K., **Charron-Prochownik, D.** "Adolescent females' mental models of diabetes and reproductive health", 67th American Diabetes Association Scientific Sessions, Chicago, June 2007.
9. Peyrot, M., et al., Washington, DC, June 2006. *(See abstract)*
10. Siminerio, L., et al., Washington, DC, June 2006. *(See abstract)*
11. Dorman JS, Siminerio L, Conley Y, **Charron-Prochownik D,** Manthei E, Feathers A, Charles B. "Genetics and Diabetes: Online Educational Modules for Health Professionals", 32nd American Association of Diabetes Educators Annual Meeting, Washington, DC, August 2005.
12. Nativio, D, Rosensweig, M, Henker, R, **Charron-Prochownik, D,** Cohen, S, Burns, H. "Conversion of an Existing Family Nurse Practitioner into a Doctorate of Nursing Practice: Integration of data from student and faculty focus groups", NONPF 31st Annual Meeting. Chicago, IL, April 2005.
13. Feron Hannan M, **Charron-Prochownik D.** "DM and Reproductive-health Education for Teen Girls and Moms: A Pilot Study", 31st American Association of Diabetes Educators Annual Meeting, Indianapolis, August 2004.
14. Sereika, S., **Charron-Prochownik, D.,** Feron, M., Reddinger, J., & Becker, D., "The Relationship of Intensive Insulin Therapy Use, Stress, Adherence, and Health in Female Adolescents with Type 1 Diabetes", State of the Science Congress. Washington, DC. Sept 2002.

April 2024

15. Sereika, S., et al., Nashville, April 2000. (*See abstract*)

See Published Abstracts Section above for other National Presentations listings.

Regional:

1. Thurheimer, J., Sereika, S., Choi, J., Malone, K., Engle, S., Schmitt, P., Powell, A.B., Diaz, A., Becker, D., & **Charron-Prochownik, D.** “Long-term Effect of Preconception Counseling (PC) on Risk-taking Behaviors, Condom Use, and Sexually Transmitted Infection (STI) Prevention Among Young Females with Type 1 Diabetes (T1D)”. Poster: Eastern Nursing Research Society 26th Annual Scientific Sessions, Philadelphia, PA, April 2014
2. Malone, K., Fischl, A., Choi, J., Sereika, S., Thurheimer, J., Schmitt, P., & **Charron-Prochownik, D.**, “A mixed-method design to evaluate diabetes and reproductive health understanding and knowledge in female adolescents with diabetes”. Poster: Eastern Nursing Research Society 26th Annual Scientific Sessions, Philadelphia, PA, April 2014
3. Thurheimer, J., Sereika, S., Wilhite, A., Choi, J., Schmitt, P., Powell, A.B., Diaz, A., Becker, D., **Charron-Prochownik, D.**, “Long Term Effects of Receiving Preconception Counseling During Early Adolescence in Adult Women with Diabetes”. Eastern Nursing Research Society 25th Annual Scientific Sessions, Boston, MA, April 2013.
4. Ferons Hannan, M., **Charron-Prochownik, D.**, “The Relationship between Metabolic Control, Adherence and Intention to Speak with Mothers about Reproductive-Health Issues for Adolescent Women with Diabetes” in Symposium “Issues with Diabetes across the Lifespan: A Research Community Responds to a Crisis”, Eastern Nursing Research Society 19th Annual Scientific Sessions, Providence, RI, April 2007.
5. **Denise Charron-Prochownik**, Linda Siminerio, Christopher Ryan, Yvette Conley, Cathy Poole, Bashira Charles, and Janice Dorman (presenter). “Enhancing Information Technology for Children and Parents: Genetic Information for Testing- Diabetes (GIFT-D)”, Symposium “Enhancing Information Technology to Create Innovative Solutions for Patient Care Challenges”. Cherry Hill, Eastern Nursing Research Society 18th Annual Scientific Sessions, April 2006.
6. Thato, S, **Charron-Prochownik, D.**, Dorn, L. D., Albrecht, S. A., & Stone, C. A. "An assessment of risky health behaviors during adolescence among vocational students as conceptualized by the Health Belief Model in Bangkok, Thailand”, Eastern Nursing Research Society, Pennsylvania, March 2002.
7. Thato, S., **Charron-Prochownik, D.**, Dorn, L. D., Albrecht, S. A., & Stone, C. A. "Statistical predictors of condom use behaviors among vocational students as conceptualized by the health Belief Model in Bangkok, Thailand", Midwestern Nsg Research Society, Chicago, March 2002.
8. Thato, S, **Charron-Prochownik, D.**, Dorn, L., Albrecht, S., Stone, C. “Estimating the Effect Size of Proposed Theoretical Model”, Eastern Nursing Research Society, Atlantic City, March 2001.

Local:

1. Fischl, A., Sereika, S., Herman, W., Becker, D., Schmitt, P., Powell, A.B., Diaz, A., Buenaventura, J., Choi, J., Cistrone, M., Malone, K., Parrott, A., & **Charron-Prochownik, D.**, “Self-report and medical record agreement of pregnancy outcomes in women with diabetes”.

April 2024

Poster: Magee-Womens Hospital of UPMC 11th Annual Women and Infants Health Care Conference, Pittsburgh PA, October 2014

2. Thurheimer, J., Sereika, S., Wilhite, A., Schmitt, P., Powell, A.B., & **Charron-Prochownik** “Does self-esteem mediate the association between personal characteristics and risky behaviors in female adolescents with T1D”. Poster: Magee-Womens Hospital of UPMC 11th Annual Women and Infants Health Care Conference, Pittsburgh PA, October 2014
3. Choi, J., Schmitt, P., Sereika, S., & **Charron-Prochownik, D.**, “Mother’s understanding the effects of diabetes on reproductive-health in daughters with diabetes: implications for preconception counseling”. Poster: Magee-Womens Hospital of UPMC 11th Annual Women and Infants Health Care Conference, Pittsburgh PA, October 2013
4. Thurheimer, J., Sereika, S., Wilhite, A., DiNardo, M., Guo, F., Schmitt, P., Powell, A.B., Diaz, A., Becker, D., **Charron-Prochownik, D.**, “Long Term Effects of Receiving Preconception Counseling During Early Adolescence in Adult Women with Diabetes: A Closer Look at Women Who are Trying to Get Pregnant”. Children’s Hospital Of Pittsburgh, Second Annual Adolescent Health Research Symposium, Pittsburgh, PA., April 2013
5. Cistrone, M., Fischl, A., Sereika, S., Choi, J., Buenaventura, J., Parrott, A., Malone, K., **Charron-Prochownik, D.**, “Evaluating the Agreement between Self-Report and Medical Record of Pregnancy Outcomes among Women with Type 1 Diabetes: READY-Girls Follow-Up”. Children’s Hospital Of Pittsburgh, Second Annual Adolescent Health Research Symposium, Pittsburgh, PA., April 2013.
6. Feng Guo, Andrea Fischl, Monica DiNardo, Patti Schmitt, Margaret Hannan, **Denise Charron-Prochownik**. “A Mixed Method Approach to Describe the Knowledge of Mothers of Adolescent Daughters with Diabetes Regarding Preconception Counseling and Pregnancy: Perceived”. Science2010 Transformations, University of Pittsburgh. October, 2010
7. Ferons M, **Charron-Prochownik D.** “Diabetes and Reproductive-health Communication between Teen Girls and Moms”, School of Nursing Anniversary Celebration, University of Pittsburgh, May 2004.

Mentored Scholarly Research Project for Medical Students SOM University of Pittsburgh

Peter LaRossa	2008	Risk Factors for Developing Type 2 Diabetes	Primary mentor
Angelica Escobar	2018	Contraception in Type 2 Diabetes	Primary mentor

Post-Doctoral /Fellowship Trainees

Ana Radovic	2018	Mobile App Mental Health Teen and Parent	Mentoring team
Jocelyn Anderson	2016	Adol RH – Sexual Violence /Alcohol Misuse	Mentoring team
Kafuli Agbemenu	2018	RH African Immigrants and Refugees	Mentoring team
Sarah Stotz	2019	Mobile App Healthy Food Choices AIAN	Mentoring team

Independent Studies: supervised 24.

Research Practicums: supervised 28.

OTHER MENTORING ACTIVITIES

Junior Faculty (After 2010, See “Post-Doctoral Trainee” chart above)

1. Secondary faculty on training grant “Technology Research in Chronic Illness“ (Erlen/Hoffman T32).
2. Primary faculty on training grant BIRCWH
3. Sustained mentoring junior faculty in research: Meg Ferons Hannan, PhD (08-current)
4. On-site mentor for Meg Hannan taking the CRCDC Grant Writing workshop (July 08)
5. Christine Nelson, PhD (SUNY Buffalo) – grant submission and consulted on her research (08)
6. Donna Falsetti (HP&D) - PhD junior clinical faculty was co-investigator on my grant. (03-07)
7. Mary Cothran (HP&D) - PhD junior clinical faculty was co-investigator on my grant. (05-08)
8. Judy Kaufmann (Instructor HP&D) member of her Dissertation Committee in the GSPH. (04-05)
9. Janet Stewart- Mentored junior faculty in research. (05)
10. Barbara Wise- Mentored junior faculty in research. (05)
11. Peter Draus- guided to publish Web-based “Discussion board” data from our ADA study. (05)
12. Conducted a workshop for HP&D on “How to prepare a tenure dossier”. (05)
13. Conducted a Methodology Series lecture on “Intellectual Property” with Paul Suppowitz, JD (04)
14. Reviewed grants and manuscripts for junior faculty
15. Mentored faculty in the process of Intellectual Property/ Copyright and Ownership: provided documents, met one-on-one with faculty- Peg Roswensweig, Mary Beth Happ, Judy Mathews
16. Included junior faculty external to our department as co-investigators on my grants: Elizabeth Demetriades, MD, Eleanor Bimla Schwarz, MD (06), Aletha Akers, MD (09)
17. Mentored faculty in the process of tenure and/or sabbatical: provided documents and/or met one-on-one with faculty- Willa Doswell, Cathy Puskar, Susan Cohen, Yvette Conley
18. Attend Tenure Support Group Meetings to provide guidance
19. Attend Reproductive Health Seminar group as senior faculty (e.g., provided guidance with grants for Eleanor Bimla Schwarz, MD, Aletha Akers, MD, Sonya Borrero, MD)
20. Presented “How to read a Research Article and utilize it for EBP” Diabetes Specialist Group of Greater Pittsburgh Area sponsored by Novo Nordisk (May 08).
21. Developed a new section on EBP and PICO formatting for *Diabetes Spectrum*.
22. Nominated the following faculty for awards and organized nomination packets for junior faculty: Cathy Bender (Nightingale Research Award), Sandie Engberg (Dean’s Distinguished Teaching Award), Lisa Bernardo (Cameos of Caring Educator Award), Jan Koshinsky (Cameo of Caring Advanced Practice Award).
23. Served as an on-site mentor for Jo Azzarella during 3rd Annual Grant Writing Workshop (CRCDC)
24. Served as an on-site mentor for Meg Hannan during 4th Annual Grant Writing Workshop 2008 (CRCDC)
25. Speaker on panel for *Research Methodology and Faculty Development Series*, “Preparing for Mid-Term Review” 9/22/08.
26. Speaker on panel for *Research Methodology and Faculty Development Series*, “Preparing for Promotion and/or Tenure Review” 10/20/08.
27. Spoke on “Educating the educator: developing a web-based CEU program on preconception counseling” for *Reproductive Health Research Seminar Series* 11/14/08
28. As Chair of HP&D: conduct faculty manuscript writing seminar, schedule weekly scholarly meetings, help faculty with their professional development plans. *Currently*

April 2024

Students

1. Precepted (14) PhD, (28) MSN, and (10) BSN research practicums and independent studies. Supervised 7 PhD and 9 MSN students in GSR positions on my grants.
2. Recruited 4 students into the PhD program by offering them GSR positions on my grants: Ferons Hannan, M., Rodgers-Fischl, A., Charles, B, Devido, J.
3. Guided graduate students presentations at local, national and international conferences (see published abstracts).
4. 17 students co-authored data-based articles with me from my studies: Abujaradeh, H., Charche, N., Thurheimer, J., DiNardo, M., Ferons Hannan, M., Rodgers-Fischl, A., Siminerio, L., Charles, B., Falsetti, D., Wang, S-L, Hughes Stewart, S., Dean-McElhinny, T., Michel, B., Feathers A, Manthei E., Thato, S., Maihle, T., Albright, L
5. 24 students co-authored data-based published abstracts with me from my studies: Abujaradeh, H., Charche, N., Thurheimer, J., Devido, J., Choi, J., Guo, F., DiNardo, M., Ferons Hannan, M., Rodgers-Fischl, A., Siminerio, L., Charles, B., Falsetti, D., Wang, S-L, Hughes Stewart, S., Dean-McElhinny, T., Michel, B., Feathers A, Manthei E., Thato, S., Maihle, T., Hadzick, C., DeLullo, N., Reddinger, J, Lockhart, D., Cohen, B., Trail, L., Giles, L., Sorkin, K., Weinhoff.
6. Organized a Symposium of previous and current doctoral student advisees.
Charron-Prochownik, D., Ferons Hannan, M., Rodgers-Fischl, A., Kaufmann, J., *Issues with Diabetes across the Lifespan: A Research Community Responds to a Crisis*, ENRS 19th Annual Scientific Sessions, Providence, RI April 07.
7. Participated in Undergraduate Research Mentorship, precepted: 8 students

International

1. Served on 5 International PhD students' Dissertation Committees (Chair of 3)
2. Assisted the Diabetes Institute in hosting Japanese scholarly visitors (3 faculty and 2 doctoral students). Group leader was Dr. Hiroko Morikawa from Fukui University. (07)
3. Sponsored an International Research Fellowship- on modifying and integrating READY-Girls in England: Katie Newby- a doctoral student from Coventry University, UK
