

Health Forms

All nursing students must have an initial health evaluation upon admission to the School of Nursing, plus an annual TB screening, if required for a particular clinical placement. Students are ineligible for registration or participation in clinical activities until the completed forms have been submitted. Please refer to [Policy 370](#).

The School of Nursing [Initial Health Form](#) and the [Annual TB Screening Form](#) can be downloaded and printed from EXXAT. Students MUST upload each completed form in EXXAT on or before the dates below:

- | | |
|----------------|---|
| BY August 1: | All new students must upload an Initial Health Form |
| BEFORE June 1: | Current Undergraduate students upload Annual TB Screening Form, if required |
| By August 15: | Current Graduate students upload Annual TB Screening Form, if required |

Note: All Forms are uploaded to EXAAT. Before uploading the Initial Health Form in EXXAT, you must make sure that the Form is signed by your health provider.
