**POLICY:**       Faculty members teaching clinical courses in advanced practice majors/areas of concentration are required to provide evidence of expertise in their subject areas; to be currently licensed as an RN in Pennsylvania; to be certified as an advanced practice provider in the Commonwealth (if applicable); and to maintain National Certification as an advanced practice nurse. **PROCEDURE:**

- Faculty members performing professional services/practice outside of their University position will follow Policy CS 09 Outside Employment (<https://www.policy.pitt.edu/cs-09-outside-employment-formerly-02-06-0>)
- Faculty members performing professional services/practice within their University position will be given release time to the extent that equivalent compensation is returned to the School to cover costs.
- Maintaining licensure and certification will be considered in annual evaluation and reappointment considerations.
- Ideally, opportunities for faculty practice that involve the provision of direct clinical care are in a UPMC or University facility.
- If the faculty practice site is not in a University facility, faculty cannot identify themselves as a representative of the University and they are not covered by the School of Nursing’s malpractice insurance policy. Faculty practicing in a non-University facility are expected to be covered by the facility for their clinical practice.
